

Prepared with the finest EXTRA VIRGIN OLIVE OIL

Olive Chicken - Original

Enjoy our trademark Olive Chicken!
Using BBQ's very own recipe, we prepare our chicken using over 30 of the finest ingredients. This ensures that the skin of our chicken is always crispy while maintaining the tenderness of the meat.

Olive Chicken – Sweet Spice

BBQ's crowning achievement is the development of Sweet Spice Olive Chicken. This is not the typical sweet & sour chicken you taste at any ordinary restaurants. Our sauce gives a unique tangy and zesty taste that everyone will love.

Teri-Gold Wings and Sticks

Our Teri-Gold Wings and Sticks are coated with a sweet rice mixture, which makes it crispy yet soft. They are fried to perfection then glazed with our Teri-Gold sauce that is bursting with flavors of Teriyaki sauce and garlic.

Hot Wings and Drumsticks

BB Wings (Sauceless Hot Wings)
